

2012 Edition *Little Angel Workbook A* – Lesson Correlation Chart

The new 2012 edition of *Little Angel Workbook A* contains 16 additional pages of phonics and comprehension skills practice. The *Teacher’s Manual* has been revised slightly to include these new skills and workbook pages. We have also added 2 extra lessons at the very end of the *Teacher’s Manual* (Lessons 59 and 60).

If you purchased a *Teacher Edition* before June 2012, you can continue to use it to teach *Little Angel Level A*, as most lessons have little or no change. This chart will help you correlate the 1997 *Teacher Edition* with the new 2012 *Workbook A*.
